GB Pant Polytechnic Extension, Okhla Phase III, Delhi –110020

### **Advertisement inviting applications for the ‘Chief Technology Officer’**

IHUB ANUBHUTI-IIITD FOUNDATION, hereafter referred as IHUB, is a Section-8, Not-for-profit Company at Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) under the National Mission on Interdisciplinary Cyber Physical Systems (NM-ICPS) of the Government of India. It is a Technology Innovation Hub supported by Department of Science and Technology (DST), Govt. of India. iHub Anubhuti has been set up to create a collaboration between industries, academic institutions and government agencies to innovate and develop data-driven cognitive computing solutions.

The objective is to establish itself as a Hub of Research, Entrepreneurship, and Innovation in the area of Cognitive Computing & Social Sensing.

The Foundation is looking to hire an individual for the **Chief Technology Officer (CTO)** position and invites applications for the same.

#### **Job Title: Chief Technology Officer (CTO)**

**No. of post:** One

#### **Job Profile:**

The candidate would provide sound technical leadership in aspects of engineering, design, user research, security and infrastructure. Strategic thinking and strong business acumen are essential for this role. The role requires a strong sense of technology platform and engineering. The candidate should be well-versed in current technological trends and familiar with a variety of business concepts. Closely collaborate with IHUB CEO to oversee and ensure effective execution of the strategy and compliances.

#### **Job responsibilities include, but are not limited to the following:**

- Develop technical aspects of the organization’s strategy to ensure alignment with its business goals.
- Develop IT and tech infrastructure as per the vision of the organization.
- Discover and implement new technologies that yield competitive advantage.
- Oversee all aspects of the technology, including technical strategy, technology architecture, best practices technology stacks.

- Manage operations such as Infrastructure, database servers, security, DevOps, and internal IT implementations.
- Responsible for delivering business impact by identifying lead edge technologies and driving technical innovation by creating timelines for the development.
- Create overall technology standards and practices and ensure adherence.
- Supervise system infrastructure to ensure functionality and efficiency
- Build quality assurance and data protection processes.
- Monitor KPIs and IT budgets to assess technological performance.
- Use stakeholders' feedback to inform necessary improvements and adjustments to technology.
- Communicate technology strategy to partners and investors.
- Perform any other office duties as needed and assigned.

### **Skill Sets, Knowledge and Experience**

- **Educational qualifications:** Bachelors or Masters degree in Computer Science or related field
- **Experience:** Preferably 8-10 years' proven experience in related field
- **Desirable:**
  - Excellent communication skills.
  - Knowledge of technological trends to build strategy.
  - Knowledge to setup IT and tech infra
  - Understanding of budgets and business-planning.
  - Ability to conduct technological analyses and research.
  - Leadership and organizational abilities.
  - Strategic thinking.
  - Problem-solving aptitude.

### **Compensation, Tenure and other details:**

The monthly consolidated salary will be in the range of **INR 110,000/- to INR 150,000/-** per month. There will be an initial probation period of 6 months.

### **General Instructions:**

1. IHUB reserves the right to restrict the number of candidates for the further recruitment process to a reasonable limit, on the basis of qualification and experience, etc.
2. IHUB also reserves the right of rejecting any or all the applications without assigning any reasons thereof.

3. Eligibility of a candidate to the post will not automatically mean that he/she will be shortlisted and called for further recruitment process. No request in this regard will be entertained for review etc.
4. Shortlisted candidates will be informed for further recruitment process through registered emails only.
5. The selected candidate will be expected to join within a month from the date of Offer of Appointment.
6. Candidate shall bring along with them the original degree(s)/certificate(s) and experience certificate(s) at the time of interview for verification.

**How to Apply:**

Interested candidate may apply on <https://forms.gle/1CjGfCXnzRvHy5Zm8> with a resume latest by **3rd May 2022**. Only shortlisted candidates shall be called for the further recruitment process. Decision of the management for the shortlisting and selection will be final.
